**CLR Srl - Standard Warranty Conditions
Instruments and equipment,
EXCLUDED Sensors, Consumable items, Part subject to wear**

The Product is guaranteed for a period of 24 months from the date of delivery note. Warranty claims do not mean exemption from payment obligations.

The Product is guaranteed to be free from defects in workmanship and parts in the warranty period. Defects that occur within the a.m. warranty period, under normal use and care conditions, will be repaired or replaced (at our discretion) solely at our option with no charge for parts or labor.

In the event that the goods require repair under warranty at the CLR Srl Factory site, the Owner is responsible for the cost of transportation to and from CLR Srl Rodano, MI, Italy. Whilst in transit the goods are at the Owner's risk.

In case the repair/intervent has to be carried out at Customer site, parts and labor will be free of charge, while travel and living expenses will be charged to the Customer as per document "Service Conditions".

During warranty period Service intervention will take place within 72 h after calling (for us calling means sending an official order).

This warranty does not cover batteries or any other consumable item or parts subject to wear.

This warranty does not cover any defect caused by an accident, misuse, abuse, improper installation or operation, lack of reasonable care, unauthorized repairs, loss of parts, tampering with or attempted repair by a person not authorized by CLR Srl.

The warranty will not apply if damage, malfunction or failure results from alterations, accident, misuse, abuse, fire, liquid spillage, mis-adjustment of customer controls, use of an incorrect voltage, power surges and dips, thunderstorm activity, acts of God, voltage supply problems, tampering with or unauthorized repairs by any persons, use of defective or incompatible accessories, exposure to abnormally corrosive conditions or use in unsafe atmospheres.

This warranty does not cover damage arising during transportation, installation or while moving the Product, after the Product has been collected by the forwarder to be delivered to the Purchaser.

After the Product has been collected by the forwarder, CLR Srl will be no more liable for any losses, damages or alterations to hardware or software, programs, data or information stored on any media software viruses, damage or alteration of any part of the Product, no matter how occurring. Also, CLR Srl will be no more liable for any loss or damage arising from failure to use, loss of profits or revenue, or for any resulting indirect or consequential loss or damage.

CLR Srl will not provide refund directly to end-user in any circumstances. Compensation for direct or indirect damage arising for any reason to persons or things, due to use or lack of use of the Product are excluded.

CLR Srl excludes all other warranties, conditions, terms, representations and undertakings whether express or implied not specifically indicated in these warranty conditions.

Rodano Millepini, 20.04.2015

CLR Srl - Standard Warranty Conditions Sensors, Consumable items, Part subject to wear

The Products in subject are guaranteed for a period of 24 months from the date of delivery note. Warranty claims do not mean exemption from payment obligations.

Warranty on sensors, consumable items, parts subject to wear ONLY assures that these parts are free from defects in workmanship and parts in the warranty period. The warranty is recognized at absolute discretion of CLR Srl.

The guarantee does not apply to any kind of wear of the sensor and the parts, related to the use and also related only to the storage (even in the absence of use).

Defects that occur within the a.m. warranty period, and on which CLR Srl has defined that the warranty is applicable, will be repaired or replaced (at our discretion) solely at our option with no charge for parts or labor.

In the event that the goods require repair under warranty at the CLR Srl Factory site, the Owner is responsible for the cost of transportation to and from CLR Srl Rodano, MI, Italy. Whilst in transit the goods are at the Owner's risk.

In case the repair/intervent has to be carried out at Customer site, parts and labor will be free of charge, while travel and living expenses will be charged to the Customer as per document "Service Conditions".

This warranty does not cover batteries or any other consumable item or parts subject to wear.

This warranty does not cover any defect caused by an accident, misuse, abuse, improper installation or operation, lack of reasonable care, unauthorized repairs, loss of parts, tampering with or attempted repair by a person not authorized by CLR Srl.

The warranty will not apply if damage, malfunction or failure results from alterations, accident, misuse, abuse, fire, liquid spillage, mis-adjustment of customer controls, use of an incorrect voltage, power surges and dips, thunderstorm activity, acts of God, voltage supply problems, tampering with or unauthorized repairs by any persons, use of defective or incompatible accessories, exposure to abnormally corrosive conditions or use in unsafe atmospheres.

This warranty does not cover damage arising during transportation, installation or while moving the Product, after the Product has been collected by the forwarder to be delivered to the Purchaser.

After the Product has been collected by the forwarder, CLR Srl will be no more liable for any losses, damages or alterations to the Product, no matter how occurring.

Also, CLR Srl will be no more liable for any loss or damage arising from failure to use, loss of profits or revenue, or for any resulting indirect or consequential loss or damage.

CLR Srl will not provide refund directly to end-user in any circumstances. Compensation for direct or indirect damage arising for any reason to persons or things, due to use or lack of use of the Product are excluded.

CLR Srl excludes all other warranties, conditions, terms, representations and undertakings whether express or implied not specifically indicated in these document, "CLR Srl - Standard Warranty Conditions Sensors, Consumable items, Part subject to wear"
